

MCA SUMMER READING 2016

available

Students entering Grades 3 through 8 are **required** to participate in our summer reading program to maintain and improve their reading skills. Students entering Grades 3 through 8 are required to read three books listed for their particular grade. Upon returning to school in September, students in Grades 3-8 will review their summer reading books with their literature teachers and must hand in their summer reading log on our website (metuchenchristian.org) under summer reading. The reading logs, signed by a parent, are due on the first day of school indicating the books were read. Credit will be given towards the first marking period. Students in grades 5-8 will take a quiz on each book after the review is completed in class. The school office has copies of the novels listed below for purchase to assist those parents who might not have an opportunity to purchase books at a local book store. You can purchase summer reading books now through the summer months. The school office is open 9:00AM - 4:00PM during the summer months.
