

Metuchen Christian Academy: Weekly Updates, February 4 - 8

- **Ground Hog Day 2019:** Punxsutawney Phil did not see his shadow and predicts an early spring. With the warmer weather predicted this week Phil might just be correct.

Congratulations to Gabby Brown (grade 6) and London Carson (grade 7) who were voted by the participating coaches to the All Tournament Team. The recipients were awarded a medal by the host team.

Go, Bears, Go!

- **Yearbook:** The yearbook is an awesome opportunity to celebrate your Kindergartener, who will be graduating on June 11th, and/or your Eighth Grader, who will be graduating on June 13th, with well wishes from mom, dad, or the student's grandparents. The school office has a sample copy of last year's yearbook to help you with ideas. What a great opportunity to have "memories for a lifetime" with the purchase of well wishes and a copy of the 2018/2019 yearbook. In addition, business ads are available for purchase as well. Order forms are available at the school office.
- **Royal Gourmet Fundraiser:** Students will be issued fundraiser information tomorrow, February 5th and the prize selections for participating in this fundraiser. Order forms with payment are due on February 19th. Proceeds will benefit our Van Project. Call Mrs. Wendy Ciktor at (732) 549-7854 with any questions.
- **Van Project Update:** What an awesome response to the "Build A Van" form issued to our student body two weeks ago. \$984.00 was donated through the "Build A Van" fundraiser. Another \$1,147.50 was donated through Life Touch Photography. We appreciate any and all donations.
